AMENDMENT

Honorable Commissioner of Patents and Trademarks Washington, D.C. 20231

Dear Sir:

This Amendment is Responsive to the office action dated June 13, 2001.

IN THE CLAIMS:

Please cancel claims 4, 19, 20, 27 and 28.

Please add the following claim.

1. (Twice amended) A method for treating a bacterial infection in a chicken, the method comprising:

identifying chickens having a bacterial infection caused by a bacteria selected from the group consisting of Salmonella, Camphylobacter, Clostridium perfringes, and mixtures thereof;

feeding the chickens identified as having a bacterial infection an animal feed comprising xylanase in an amount effective for treating the bacterial infection.
